Dear Parents/Carers,

Shakespeare Drama Workshops

As part of our ‘Objects and People that Changed the World’ theme, the children in Year 5 and 6, also known as “The Architects”, will be studying William Shakespeare and three of his plays; Macbeth, The Tempest and A Midsummer Night’s Dream.

We have arranged for a local theatre company ‘As Creatives’ to come into school and recreate these famous plays with the children through drama. This will take place on Tuesday 8th February.

The approach used sees the children themselves, through a series of carefully structured drama activities, telling the story of their given play. There is a focus on backstory, key themes, central characters – and their motivation – and pivotal moments in the plot.

This is an exciting opportunity for the children and we know that they will thoroughly enjoy and be inspired by the experience.

We are asking for a contribution of £4.00 to help towards the cost of the day.

Please complete the slip below and make payment through Pay360 online. This can be found under the “Trips” section.

Many thanks for your continued support,

Mrs Metcalfe, Mrs Farrell and Miss Hannah
