Dear Parents, Carers

We are having a new boiler system installed in the cellars over the next few weeks. Preparatory work has been taking place since the beginning of September, hence the number of work vans in the carpark. The system should be up and running by October half term holiday.

Parents' Meeting Wednesday 19th October 2022

Parents Meeting is scheduled for Wednesday 19th October 2022. These meetings will be face to face at school and appointment information will be sent out shortly.

Year 5 and 6 Architects visited Bootle Town Hall

on Friday to watch a presentation through drama about the dangers of smoking. They have also been engaged in creating cheese cakes with Miss Kelly and Mrs Martin and a parent volunteer. Thanks to the parent volunteers who helped out with the Y3 Y4 CHET trip last Monday. The children had a great time developing team skills on low ropes, night line and an adventurous nature trail!

Our first cross country meeting took place last week at The Northern Cricket Club in Crosby. The school organises these race meetings for all Sefton primary Schools and the next race will be at Merchant Taylors School Playing Field on Wednesday 12th October

Reading, Reading, Reading

We are determined to promote our home reading campaign as we know that children who regularly engage in home reading with the family enjoy increased confidence in all areas of learning in school. This activity is never limited to our younger children but always encouraged in all years especially in the final two years of primary school. We expect great efforts from the children in these years groups and thank you for your support in anticipation of this.
